Alabama Power Company

Project No. 2628-066

NOTICE OF REVISED PROCEDURAL SCHEDULE FOR ENVIRONMENTAL
IMPACT STATEMENT FOR THE PROPOSED PROJECT RELICENSE

(September 9, 2024)

On November 23, 2021, as supplemented,¹ the Alabama Power Company filed an application for a new major license for the 135-megawatt R.L. Harris Hydroelectric Project No. 2628 (Harris Project or project). On March 31, 2023, Commission staff issued a notice of intent to prepare an Environmental Impact Statement (EIS) to evaluate the effects of relicensing the Harris Project. The notice included an anticipated schedule for issuing the draft and final EIS. On April 18, 2024, staff issued a notice of revised procedural schedule for preparing a draft and final EIS.

By this notice, Commission staff is updating the procedural schedule for completing the draft EIS. The revised schedule is shown below. Further revisions to the schedule may be made as appropriate.

<u>MILESTONE</u>	<u>TARGET DATE</u>
Issue draft EIS	November 2024

Any questions regarding this notice may be directed to Sarah Salazar at (202) 502-6863 or sarah.salazar@ferc.gov.

Debbie-Anne A. Reese,
Acting Secretary.

¹ The final license application filed November 23, 2021, was supplemented on March 23, 2022, June 15, 2022, and December 27, 2022.
